CREDIT ENHANCEMENT SERVICES AGREEMENT

This agreement is entered into this___(day)_____(month) of 20___ between Blueprint Accounting, INC. ("the company") and _____(your name) herein referred to as ("the customer"). Blueprint Accounting, INC. ("the Company") agrees to assist customer in adding aged credit history to their existing file and/or creating a new credit file. All credit accounts will have a perfect payment history (pays as agreed) showing on customers credit file at the conclusion of sixty (60) days.

In consideration of the company's services customer agrees:

A. To pay the company the service fee of $750.00 via cash or certified funds within twenty four (24) hours.

B. That customer intentionally sought out the company, which is based in the State of Georgia, to perform the services identified here, and that the services may be performed by any principle or assistant working for or in association with the company.

C. The company will not discuss customer's case with customer's spouse, or anyone else, unless customer authorizes the company to do so in writing.

D. That this Agreement, including its links and the Definitions, constitutes the entire agreement between customer and the company and may only be modified in writing.

It is further agreed by customer that:

A. This service may enhance customer's credit. It will not prevent or conceal adverse information.

B. It has been explained to customer that no credit repair organization has the right or ability to have accurate, current, and verifiable information removed from customer's credit report.

C. Customer warrants that they were not counseled or advised to make any statement which is untrue or misleading.

Seasoned Credit Builder Program

Blueprint Accounting, INC. utilizes exclusive credit building techniques which help clients to improve their credit history profile and provides a boost for the client's FICO score. It is a remarkable way for the client to add the extra points to his/her FICO score in order to meet the lowest cut off point on any lender's scale! Blueprint Accounting, INC. inserts fully-seasoned, A-paper, account user data into your credit history. Some of these seasoned lines are aged 5 years or older. Incorporating this data into your history will add a perfect payment track record with a long history to your profile, which will, ultimately, boost your creditworthiness for credit scores.

The Complete Cleaning Service Package

Blueprint Accounting, INC. provides "clean-up" for your late pays (including late mortgage payments), collection accounts, charge offs, judgments, tax liens, bankruptcies, and inquiries on ALL THREE BUREAUS. It is a thorough restoration service of the client's credit file and a fresh start! This process typically takes up to 65 days.

Price: $750.00 for all three credit bureaus.

Governing Law and Miscellaneous: This Agreement is deemed to have been executed and performed exclusively in the State of Georgia, Georgia law, without regard to conflict of law provisions, and Federal law govern this Agreement.
